

Davis Little League Opening Day

T-shirt sale

Davis Little League is a very unique organization with great kids and very supportive parents.

*On opening day we have many fun and exciting activities planned for the 700+ players in our league. This year, we will be selling official Davis Little League T-shirts for your player, their siblings, and of course, our biggest fans, the parents. This is a great way to visibly show your support but most importantly, **ALL PROCEEDS** will go toward our league. It also helps that the t-shirt is pretty cool looking too.*
